ACADEMIC INTERNSHIP PROGRAM

WHO QUALIFIES?

Academic Internship applicants must be students who are currently enrolled in good academic standing and will be completing their internships for academic credit at a partnering college/university. Upon joining the program, interns must be able to provide their own transportation to and from the internship site. As a general rule, interns are expected to be available at least 8 hours a week.

HOW TO APPLY

Visit the Academic Internship Program page on the Human Resources website. Look at the list of Current Projects. Identify 2-3 projects you would like to work on.

Then click the APPLY button to create a profile on our application system and follow the online instructions.

The Academic Internship Program is designed to place college/university students within County departments as student interns for the completion of specific projects, research, or studies ordered by the Board of Supervisors or developed by a County department.

These internships are unpaid and projects are carefully designed to offer each intern a practical and meaningful internship experience. Participants normally spend 8-16 hours per week at their internship unless noted differently on the project description.
