

STEP 1

COUNTYWIDE **YOUTH** BRIDGES PROGRAM

The Countywide Youth Bridges Program (CYBP) provides at-risk and disconnected youth with career exposure opportunities within the County of Los Angeles, and provides them with resources such as supportive services and personal enrichment training that will help prepare them for future success. More importantly, the CYBP will ultimately introduce youth to various career pathways within the public sector. Youth@Work is the 1st step of the 3 step Countywide Youth Bridges Program.
