The County Management Fellows Program is a two-year paid fellowship for individuals who want to pursue a career in County government. The program provides Fellows with a unique opportunity to work in the most populous county in the nation. With 35 County departments, Fellows participate in many dynamic programs and service-oriented operations such as children and family well-being, County business operations, community-based programs, capital programs, health and mental health services, and public safety. The program is managed by the Department of Human Resources.

The County Management Fellows Program was approved for implementation by the Board of Supervisors, and is modeled after the federal Presidential Management Fellows Program. Like the Presidential Management Fellows Program, the County Management Fellows Program is designed to enhance County succession planning efforts and enable departments to invest in their future leadership. At the end of the fellowship, Management Fellows will be able to compete for senior specialist or first-line supervisory positions (e.g., Administrative Services Manager I or II, Assistant Hospital Administrator I, Human Services Administrator I), or higher.

DEVELOPMENT AND TRAINING

In addition to challenging work assignments, Management Fellows will receive a minimum of 160 hours of formal training over their two-year fellowship. Training opportunities may include leadership courses, program or department-specific training and seminars. Fellows also gain access to exclusive networking opportunities and work with a mentor to provide support and guidance on County navigation, career development and personal/professional growth.

APPLICATION PROCESS

The application period for the County Management Fellows Program varies. For 2022, the application filing period will be from May 9 - May 20. Announcements will also be made on the Program's Facebook page and Twitter account.

To receive automatic notices regarding open application filing periods, see below to set up your Management Fellow Job Interest Card:

WHAT TO EXPECT

Candidates will be assessed on their critical thinking ability, leadership potential, and ability to communicate effectively through a series of assessments and written tests.

While rigorous, this assessment process will establish a top-tier candidate pool through which County departments will have access to exceedingly capable and educated candidates. Current employees are also eligible to apply to the program.

STAY UPDATED

To be notified of when the Management Fellow examination opens for filing, you may wish to set up a Job Interest Card by going to:

<https://www.governmentjobs.com/careers/lacounty>.

1. On the top right corner of the website, sign in to access your account. First time visitors, create an account
